

Prestongrange BRICK ART

WHAT TO DO: Fill in the blanks with your own drawings, sketches or rubbings of Prestongrange! You could even collect some things as you go round to glue in later.

First, I saw this interesting thing in the Visitor Centre...

When I went outside at Prestongrange, I saw this type of transport...

I saw this on a piece of machinery...

The people I am visiting Prestongrange with today look like this....

I found this leaf...

I saw this animal...

I saw this brick outside...

Finally, I decided to draw my favourite thing at Prestongrange...
